

WOMEN'S HEALTH AND CANCER RIGHTS ACT

If you receive plan benefits in connection with a mastectomy, you are entitled to coverage for the following under the Plan:

- Reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses and treatment for physical complications for all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

The Plan will determine the manner of coverage in consultation with you and your attending doctor. Coverage for breast reconstruction and related services will be subject to deductibles and co-insurance amounts that are consistent with those that apply to other benefits under the Plan.
